Appendix

This Appendix sets out the pricing and tax information for the Policy and Covered Equipment and is incorporated into and forms a part of Your Policy.

The Premium for the Policy is £16.99 per month (even if fewer than three (3) devices are enrolled under the Policy). The Premium for each Add-On Slot is £4.99 per month. The Premium for an Add-On Slot will be pro-rated for the first month based on the date the slot is purchased, with the full Premium charged at Your next monthly billing date for the Policy. An Add-On Slot does not increase the Theft and Loss claims limit. These prices include Insurance Tax at the applicable rate.

The Policy Excess for the Covered Equipment is as follows:
